Praise the Lord, O my soul! Psalms 146:1

He puts a new song in my mouth, a song of praise to our God. Psalms 40:3a

The Spirit of God hath made me, and the breath of the Almighty hath given me life. Job 33:4

And I say, "O that I had wings like a dove! Psalms 55:6a

And it shall come to pass afterward, that I will pour out my Spirit on all flesh. Joel 2:28a

Let your light so shine . . . and glorify your Father which is in heaven. Matt. 5:16

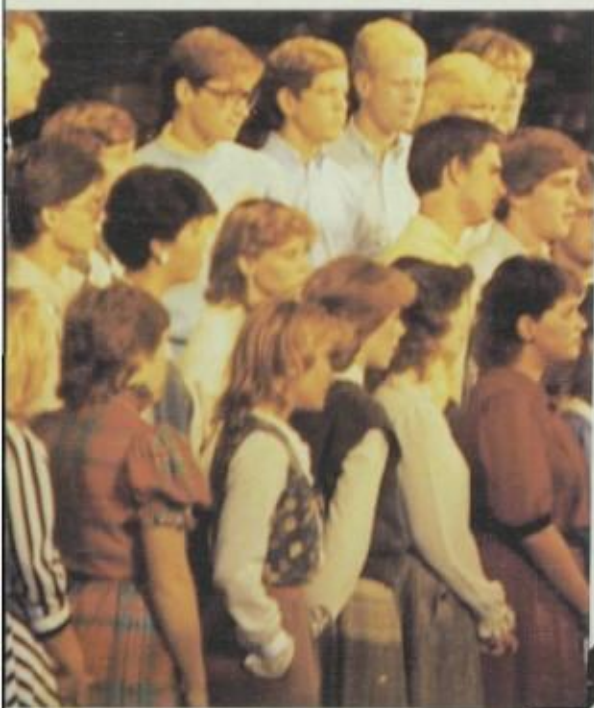

And I will pray the Father, and he will give you another Counselor, to be with you forever. John 14:16

Praise ye the Lord: for it is good to sing praises unto our God; for it is pleasant. Psalms 147:1

And Jesus, when he was baptized, went up straightway out of the water; and, lo, the heavens were opened unto him and he saw the spirit of God decending like a dove, and lighting upon him. Matt. 3:16

I asked Jesus,  
 "How much do  
 you love me?"  
 Jesus answered,  
 "This much-."  
 He spread his arms and  
 died for me.

### **The Holy Spirit**

The Holy Spirit guides us,  
And leads us every day.  
He tells us what we're doing wrong;  
So we don't go astray.

When we read the bible,  
He helps us all to learn;  
The meaning of both good and bad,  
So we may all discern.

He is one part of the trinity,  
Yes, the three in one.  
First the Father, and the Spirit,  
And Jesus, God's only son.

When Jesus Christ was baptized,  
The Spirit came down as a dove.  
We now believe such bird to be,  
A symbol of God's love.

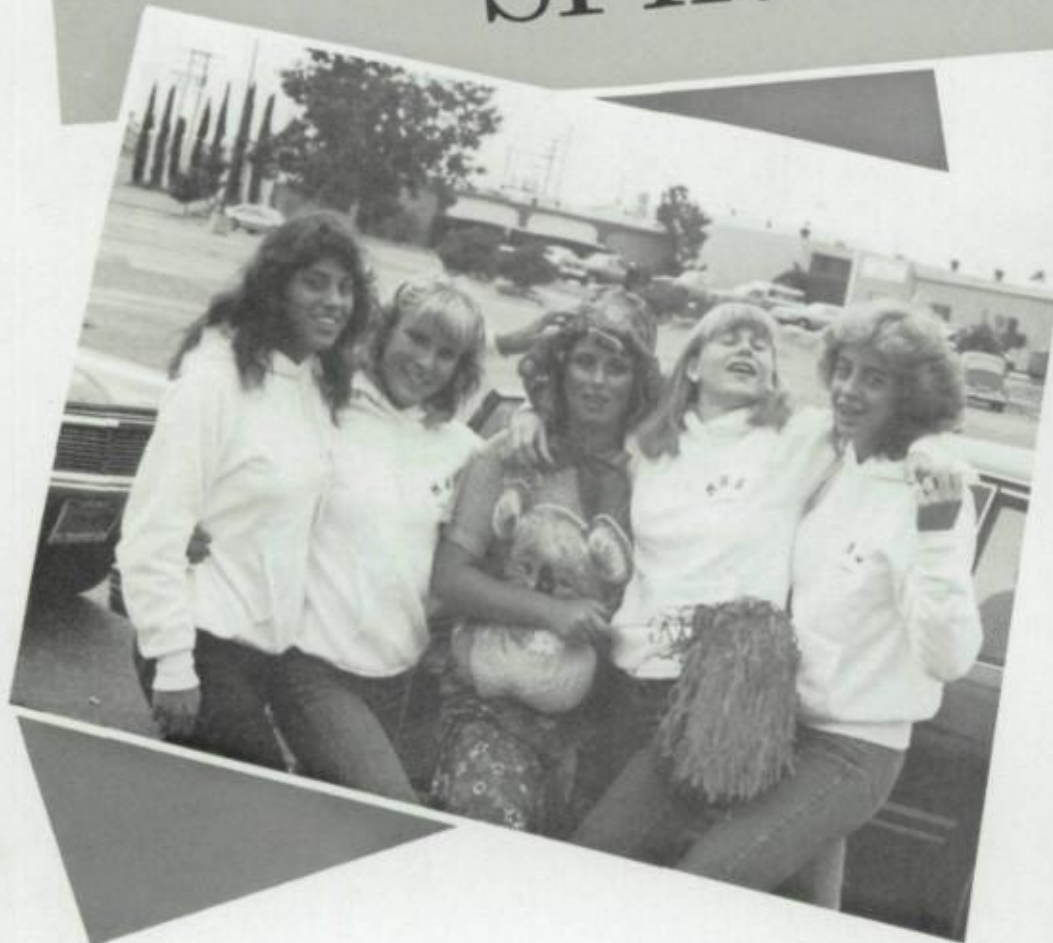

May the Spirit always be here,  
With us every day,  
To guide us and to teach us,  
And to help us in each way.

An aerial photograph of Melodyland High School. The image shows a large, rectangular school building with multiple wings, surrounded by a parking lot filled with cars. In the foreground, there is a large, circular area, possibly a sports field or a courtyard, with some structures and trees. The overall scene is captured from a high angle, providing a comprehensive view of the school's layout.

## WHO ARE THE FLAMES?

History: In the fall of 1967, Melodyland High School began its first year of athletics with a small, but promising group of young men who were fired with a determination to develop a quality athletic program.

It was in the old Dodge Van, during the first week of football practice, between practice sessions, on the way down Harbor Boulevard that the idea came to light. Coaches Marocco and Maynard were discussing school mascot possibilities, when David Lotzenhiser recounted the discussion he had with his father on the same topic. Mr. Lotzenhiser felt that M.H.S. as a Charismatic school should think in terms of the Holy Spirit; the symbol of that power is contained within the form of a dove and fire from heaven. Therefore, would not the school mascot name of "Flames" be appropriate? Later, during a vote of the student body, the name was accepted, and became official.

Therefore, over the past years, God has blessed the "Flames" in many areas. In N.F.C.S. Competition we have won far more than our share of honors, while here at home our athletic teams have become among the best in the conference. Academically, M.H.S. has turned out outstanding honor students who have gone on to excel at many well known colleges and universities throughout the nation.

## WE ARE THE JOY OF GOD!

# WATCH OUR

The Spirit Leaders are very united and their all setting to make the one goal which is to live out the word Spirit in Spirit Leading. To be pleasing in the sight of God in everything they do, Spirit soul and body. At the USA camp the Spirit Leaders won the Spirit award. And they are really growing closer to the Lord through Spirit Leading. Alot of people think its really easy, but its not. Though in the summer they worked hard but had fun.

# CAMP LIVES ON FOREVER

Loose something? What can we say!

"Sing a joyful noise unto the Lord".

Even now you recall those first days of meeting new friends and seeing old ones. The activities and good times are still in your mind. No one person got to meet everyone, but, when you did meet someone you gained a friendship.

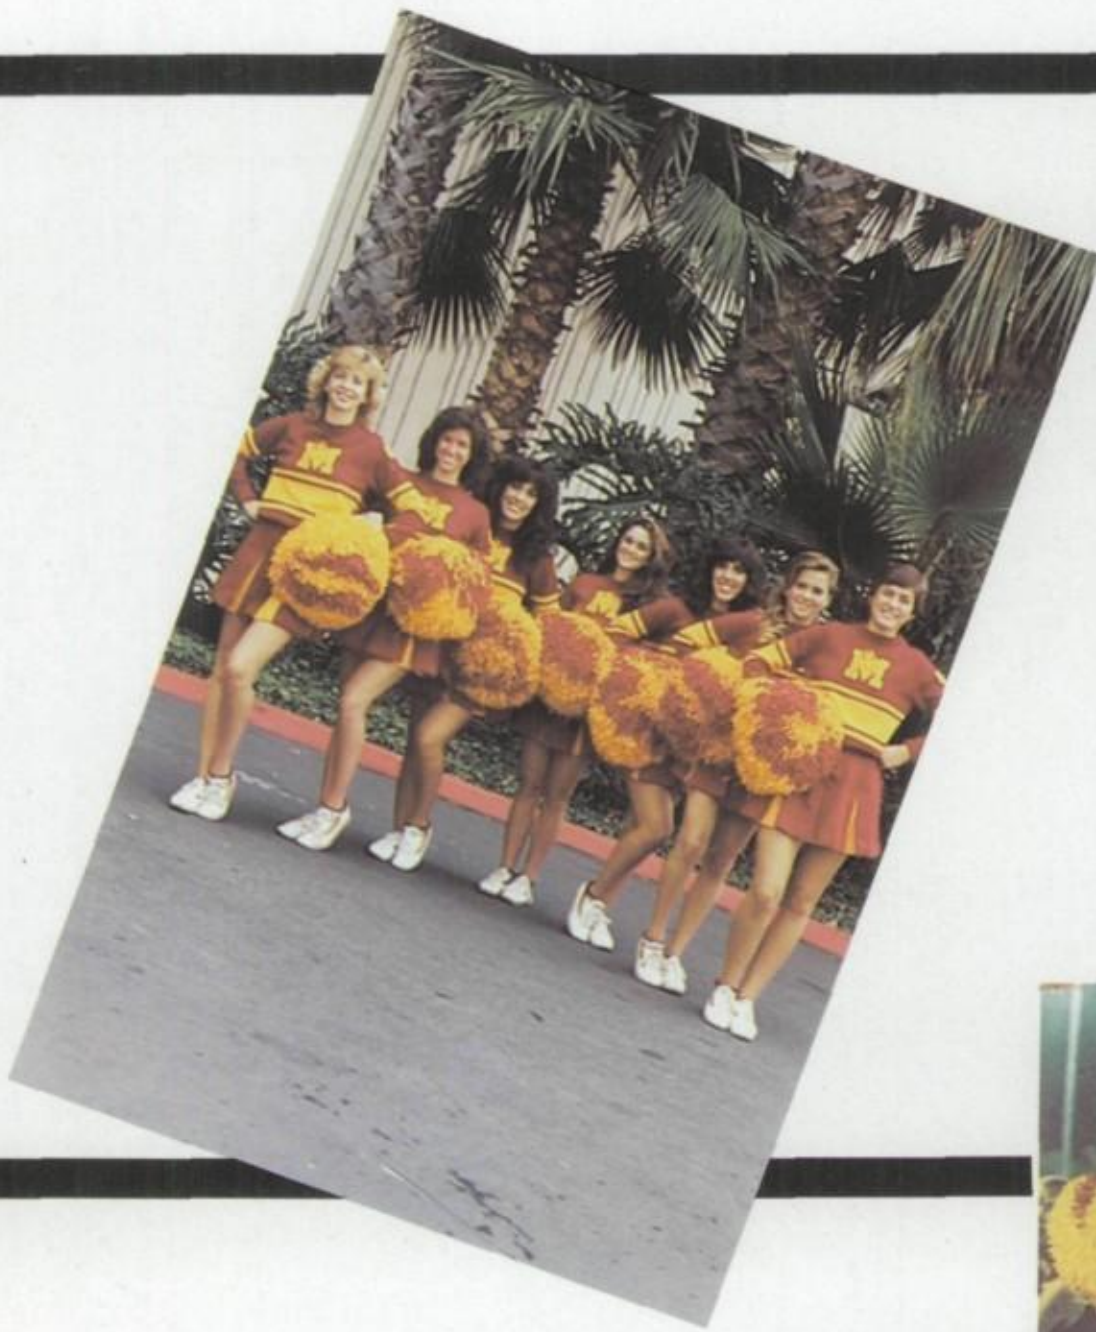

In our spare time we had fun hiking, swimming, playing games in the snack shop and browsing in the gift shop.

The highlights of camp was the last night when we had chapel. It was a time of worship and sharing. We grew closer to the Lord and we also grew closer to our friends and teachers. Most of us agree camp will be in our hearts and minds forever.

Far Left: Look at those muscles-way to go girls.

Grueling hours of hard work under the merciless hand of our very own beloved Captain Lana Foti have really paid off for our Varsity Cheerleading squad. All the pulled muscles, sore throats and sweat was worth it after all. Especially when they won the Unity Award at U.S.A. Camp. They have really grown in the past year both in the Lord and in unity among themselves. Their dedication and enthusiasm were always such an inspiration to everyone especially the football and basketball teams.

# JOYFUL NOISE

"Gonna Fly Now", "Eye of the Tiger", and the theme from "Raiders of the Lost Ark", no one else can play these songs like our band. Led by Drum Major, Amy Kuehn, our band has a pride that makes them what they are: AWESOME! Mr. Lundy, the director, has a fine group for which he truly praises the Lord. Their music can encourage us when we're down, and make us feel like rejoicing. Though they can't always change the world, the Melodyland Marching Band can change the world in us. KEEP MARCHING ON.

Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.

# J.V. CHEERLEADERS

It is obvious that the Lord has hand-picked the J.V. squad of '83-'84. They are the best of friends and work well together, but most of all in everything they do they put Jesus first, as commanded in Matt. 6:33. And let me tell you, all the other things **were** added unto them. At U.S.A. Camp they won the Spirit Award, the Superior Trophy, and best of all the sought after Unity Award. Their hard work and effort has really paid off and made them the superior squad they are. We love you J.V. Cheer.

Boy are we

## The Dedicated Ones

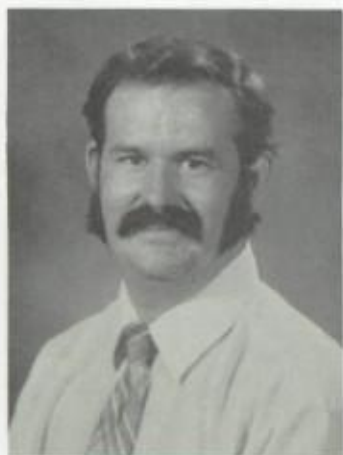

"Two Hearts Beat As One" best describes the relationship between our Bible Dept. and the Lord. We have an excellent Bible Dept. here at Melo, although all our Pastors really like to encourage except Mr. Jackson. Our Spiritual Leaders are an example for us all to follow, the love of God shows in all of their lives. It is to this illustrious group of Pastors which we dedicate this issue of Ablaze.

Homecoming Night was definitely a special night for many people. Lana and her court were carried on to the field at the beginning of the halftime festivities. The band and spirit-leaders did an excellent job performing Rag Time, Matorador, and Operator.

After the game, everyone went to the Fellowship Center for the reception. The decorations and the food were excellent. For entertainment, students and alumni performed a few musical numbers. It was a great success. Thank you to all who helped.

# Get Spirited! Go...

October 10-14 was a week filled with fun, craziness, and down right school spirit. We started the week off with school covered with toilet-paper courtesy of the class of '84.

The first day was a clown day. People covered their faces with theatrical make-up and wore baggy costumes with polk-a-dots.

Tuesday was formal day. Girls dressed in beautiful, long dresses, and the guys looked sharp in their fancy suits.

Wednesday was cowboy and Indian day. Everyone came all decked out in their Western duds, which consisted of guns, holsters, boots, Indian paint, and moccassins.

Thursday was the day for being backwards. Everyone seemed to love this day because they could be exactly what they wanted to be.

Last, but not least was story book day. All of the students seemed to participate on this day showing their school spirit.

.What a Pair- just clowning around.

## "SENIORS GO FOR IT!"

The Senior class of 1984 has many memories together at Melodyland: senior pranks, the awesome football team, T.P.ing the quad, suffering from that deadly disease "Senioritis", the senior trip, graduation, ORU, grad night at Disneyland, the J.S.B., our Spirit Bear, the spoon decoration at the Christmas Banquet, Mrs. VanKirk and Alice in Wonderland, Paster Barnett's marriage class, Happy Birthday Miss Fiene, and of course our favorite government teacher Mrs. Harrison (YUK! YUK!), Thanks to Coach Hayze for his scholastic advice. We've been through alot of growth together, both physically and spiritually. We will always thank the Lord for giving us such a memorable senior year.

# Here's To The Spirit Of M.H.S.

---

The class of nineteen-hundred and eighty-five has proven itself to be extremely proud and spirited. Unity is the best word to describe the awesome class of 1985. Pep-Rallies are our specialty. Most of the Juniors being here since their Freshman year are very good friends. Also when new people come they always feel welcome to our class. It seems like this class is building up to explode with spirit in 1985!!

# Leading The Burning Flames

1983-84 proved to be very good for Student Leadership. With the love and prayers of these students M.H.S. has grown a lot in the Lord. Not only do they know how to be good influences, but they know how to make fun. Leadership Camp was a blast!! It is neat to see how Melodyland is making a great name for itself. P.T.L. for blessing our school.

# Boosters Club

Thank God for the Booster Club! He has placed very generous and giving parents in the Melodyland Booster Club this year. They have worked so hard and put in a lot of time for the sports programs. They always had many things to get done. They sold food at games, the \$100.00 dinner for the gym, had sports banquets and among other things, they stood by our players supporting them financially and with prayers. Thank you all! We All Love You!

## *Ski Club*

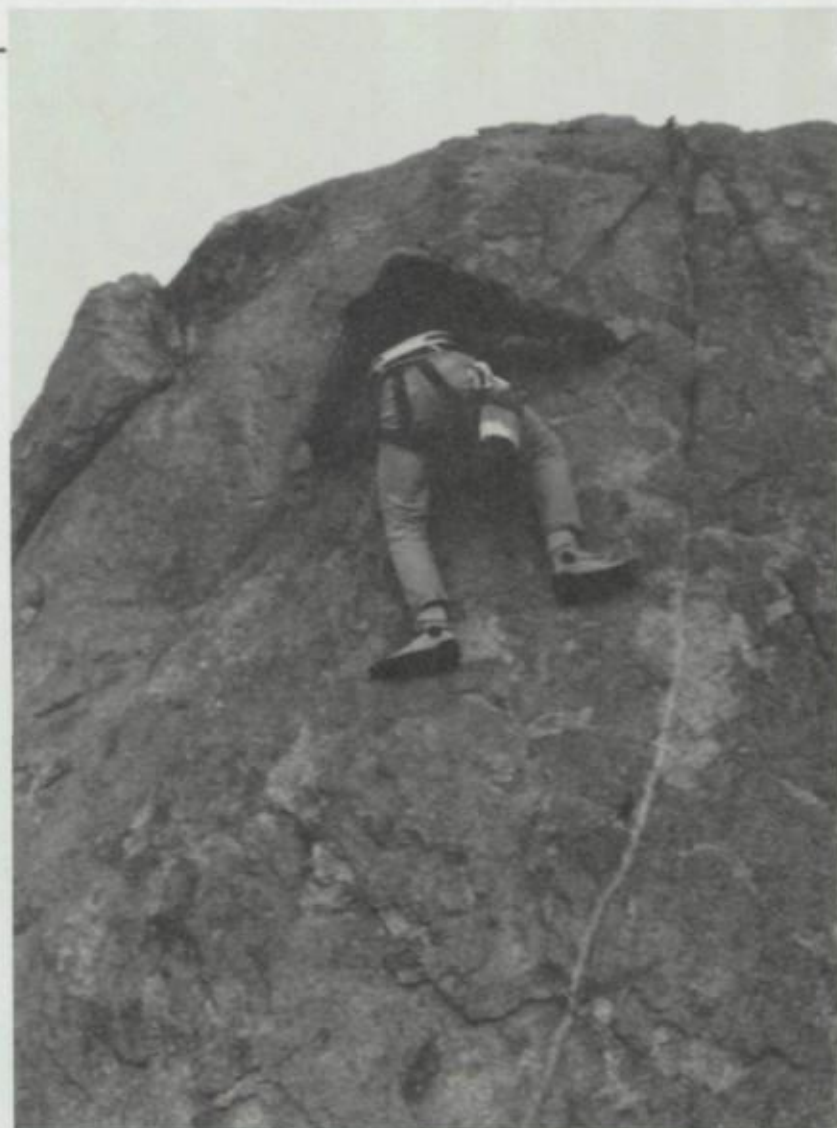

Looking to reach the varied interests of the students at MHS the Ski Club was formed last season. This intimate group of skiers ranges from novice mogel mashers to seasoned beginners.

Due to mother nature holding out on natural snow in the local mountains the club opted to forgo the man made snow to hold out for the real thing in Mammoth.

# Wilderness Club

Its a bird, its a plane no its SPIRIDERMAN

The Wilderness Club is a group of hearty adventurers who enjoy hiking, picnicking, camping and playing in the mountains, on the beaches and deserts, and in the streams of America. They have fellowship and fun with other Christians who also enjoy God's wonderful creation.

This year they went hiking and camping in the San Gabriel mountains for a weekend. They also went on a day long jaunt up the trails of Saddleback Mountain.

# Speech Club

This year has been an exciting year for the speech club. God has blessed us with many talented people. Over the past few years students from Melodyland have often participated in speech contest, from which they usually are awarded at least one first place and many times more.

Last year Scotty Britt entered

in the Lions Club speech meet where he won first place. Also early this year he was awarded another first in the Veterans Of Foreign Wars Speech Contest where he was given one hundred dollars for the victory. Ruth Nielson a first time participant in speech won a first place trophy at the OCSL where large schools from all over Orange County come to

compete, Kimmie Gooden who also competed in the contest missed a trophy by only one point.

We have plans to enter many more speech contestants including one at the Marriot Hotel and also at ORU where we continue to win each year. God has truly blessed this Speech Club in all that it has done.

## Newspaper Comes Alive

Under the direction of Editor Scott Higgins, the Torch Staff made significant improvements in the newspaper for the 1983 and 1984 news year. All sports received excellent coverage by reporters Wes Boyle and Pat George. Natalie Hatcock gave us insight into the lives of famous Melo teachers. Janelle Gurnee and Laura Barbu added spice to the paper with feature articles. Special thanks are due to Valerie Hilton for her extra help.

Flame seekers treasure hunts brought a different spark to the paper this year. Discerning detectives noticed that the clues for the first hunt spelled "To Twelve Go For It" Tickets were found by an underclassmen. By using the last two clues he located the tickets on the side of the exit sign in room 212.

# Hard Work Pays Off

"What a mighty team we are." is a fitting slogan for this years "Ablaze" yearbook staff. Although our number were small and continued to dwindle down to a very few, we still had a monumental task to accomplish, and we rose to the occasion.

The work really began quite some time before the school year officially began. The Editor, Shaun VanOeffelen and Bill Herzog both attended the Southern California Scholastic press associations week-long yearbook seminar in August. It was held at the University Of California, La Jolla Campus, the seminar proved to be an exciting and very worthwhile experience, that helped immeasurably in pulling together our pre-

sent yearbook. Many new things were learned through attending the various yearbook classes, to include copy writing and graphics. Also, they had an opportunity to meet and discuss new ideas with other yearbook staff, advisors, and teachers throughout America.

Our staff this year included: Bryan Baird, Kim Buckle, Lisa Canhoto, Buffy Carlson, Kevin Farr, Leslie Fredericks, Mary Ann Gioia, Bill Herzog, Stephanie Hyde, Brian Lambie, Jeneane Nicodemus, Amy Viano, Karen Schindler, Deborah Ondrak, Shaun Van Oeffelen, and Gayle White.

With God's help, this staff was

able to accomplish a super job in compiling this years book-form photo assignments, to copy writing, copy typing, putting layouts and meeting all the monthly deadlines in the process. This was a great staff that met every deadline and was even ahead with most of them. Throughout their diligent efforts they did whatever it took to complete this finished product which you now have in your hands.

Our editor Shaun Van Oeffelen and her assistants Deborah Ondrak, Gayle White, and Bill Herzog rose to meet every occasion in leading the staff ever onward to the goal of final completion of the 1983-84 edition of "ABLAZE."

# Drama

The Drama Class of 1983 and 1984 is proud to be representing our Lord Jesus and the students at Melo. Our goal is to show others the dramatic arts can be used for the glory of God. We wish to convey the idea that christian drama and christian actors can set the standards in an otherwise secular atmosphere. In our production of The Miracle Worker, we are aiming to show non-christians as well as christians just who the "Miracle Worker" is. We wish to show our deepest appreciation to Mrs. Maher for all of her patience, suggestions, understanding, and knowledge as we learn to be actors and actresses for Christ. Thank you Lord for giving us the opportunity to work with such a special lady!

# Ensemble

What is Ensemble? The obvious smart-aleck answer would be a group of guys and girls who sing. Well, that's not all. Let's say it is a group of high school guys and gals who sing songs to the glorification of God. Now, that's a more accurate definition. At Melodyland the member Ensemble melodizes tunes varying from older hymns to new pieces by Randy Stonehill. They found time for many enjoyable activities during the 1983-1984 school year, such as caroling during Christmas time and helping out with chapel throughout the year. Though their audiences may not have known the difference between alto and a'capella they were delighted in the entertainment just the same.

Way to go Ensemble! You are blessing us through the beautiful music you sing.

# Melody Makers

What does Melodyland have that is unique in comparison with the rest of the Christian High Schools? Why, Girls Ensemble of course. This special group is composed of 30 members under the direction of Mr. Toavs. Working together as a team they learn to make melodies and harmonize as one. If you've never heard the Girls Ensemble, then you have definitely missed something special.

Talent, dedication, and hard work make up this beautiful group of girls.

## Striving For Perfection

Composed of students at a beginning/intermediate stage of their musical development, the Melodyland Choir strives for perfection, or perhaps to reach the next best thing to perfection ... the Ensemble. Concentrating on the theory and basics of music, choir members experienced both the nervous trauma and the inspiring rewards of performance situations. While the choir participates in some of the chapel gatherings, they sometimes have the help of the Ensemble. Through the ever present instruction of Mr. Toavs, the choir continues its job of representing and symbolizing the Melodyland spirit.

Thank you Mr. Toavs, you are the best and more. You are a great inspiration to all of us.

# Putting The

Students, teachers, cheerleaders, club members, athletes, photographers, editors, and spirit leaders. Each of these has a specific part in the building of Melodyland. You could say that they form pieces. Pieces that, once put together, form this school. As individuals we can't accomplish anything. Including making a united and worth-while school. Yet, if even one piece, whether it be band, clubs or athletics, gets lost the puzzle can not be completed. Let's all stick together and make Melodyland a whole and complete school!

Top Right: Sue Flournoy inspects her food for some of the little bugs that Tracey Carter is describing. Kathy Hedgecock can't believe what she's hearing.

The food was great.

This is a blast.

Now what?

"I thought it was a blast", comments Greg Chan. There was a spirited turnout at the annual Sadie Hawkins Picnic.

Girls asked their favorite guy, and prepared them their favorite dish. After they finished stuffing their faces. "The Justice of the Peace" (Mr. Maynard), joined them in marriage.

Congratulations Melo, for making this a fun-filled event!

# EMANUEL

## God Is With Us

Emanuel, "God is with us". Yes-this was the theme of our 1983-84 Christmas Banquet. As our first Banquet of the year, everyone seemed to enjoy themselves. The evening began with just socializing with friends and dates. The food for the most part, was appetizing. As the evening continued there was much activity. Lee Mansfield was the big event for the evening. He was very entertaining, as he made everyone relax and get involved in the songs he sang. As the night came to an end, we all left with a great sense of joy, as we all thought that the evening was a great success and definitely was a night to remember.

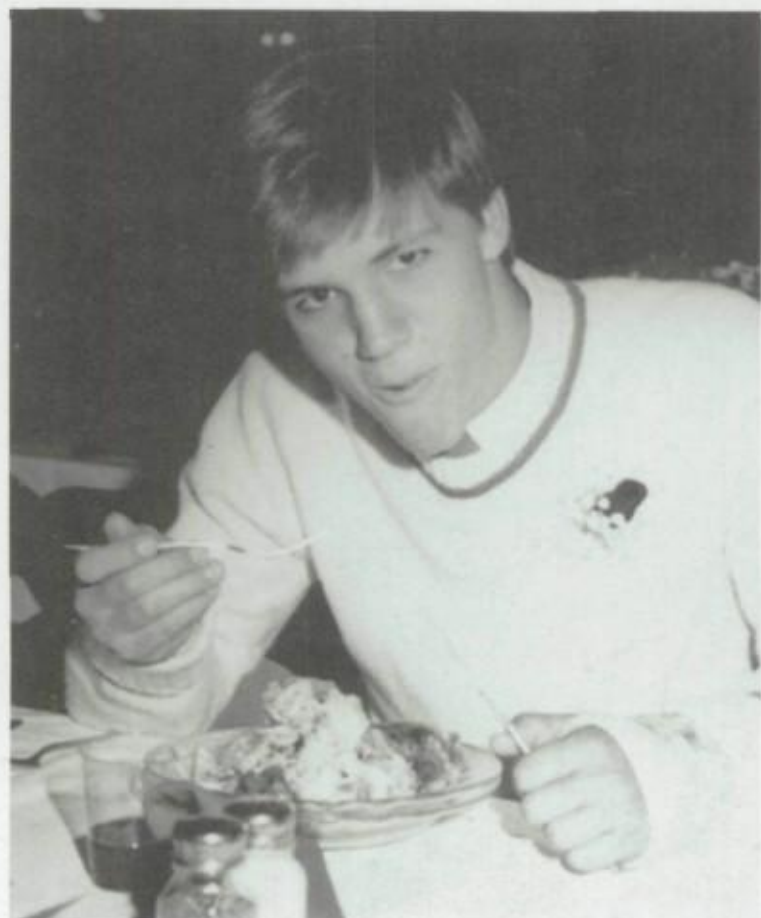

Here we have a few of the couples who were thrilled by Lees performance.

1 John 4:11  
Beloved, if God so loved  
us, we ought also to love one  
another

"AN OLD FASHION TOUCH OF LOVE" ... that was the theme for the 1984 Valentine Banquet held at the Balboa Pavilion. The Sophomore class and their officers Jamie Miller, Shelly Gaunt, Barrie Cass and Brian Lambie are really to be congratulated on a great job.

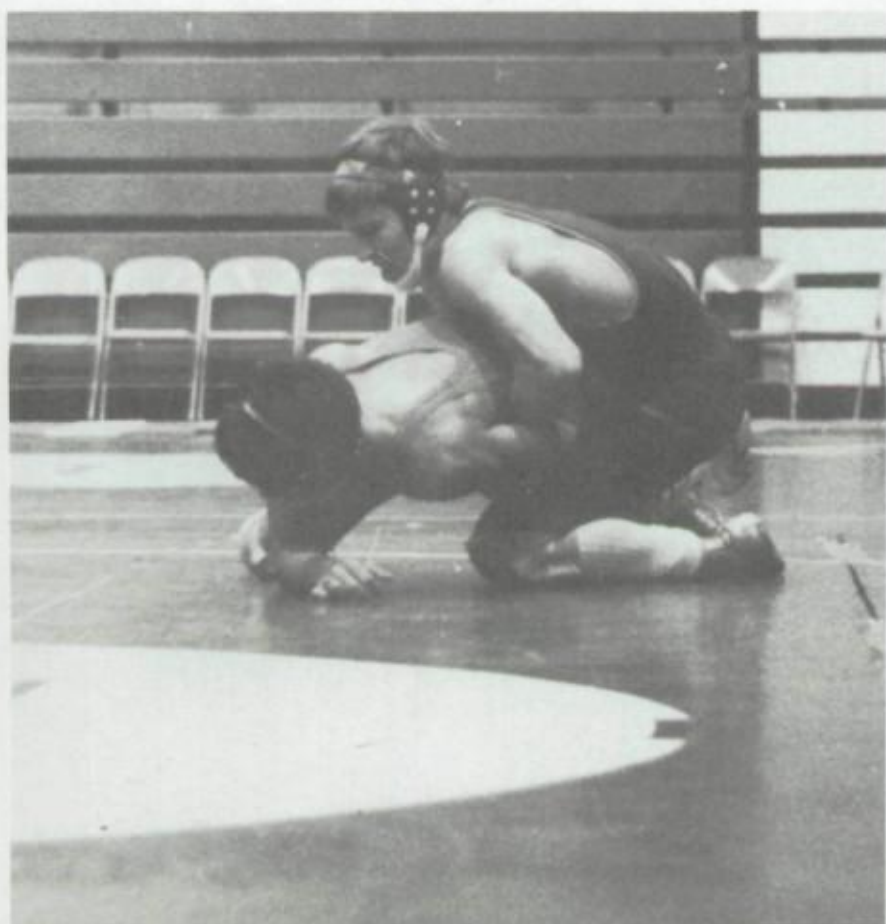

The entertainment was "Tim Archer" and Band. A special treat was to hear John Schrinier who was the key boardist. The decorations were obviously made with a lot of love. What about the food? Great! A hot buffet with relish trays, a baron of beef, rice pilaf, salads, vegetables and bread and butter were topped off with Strawberry Trifle. A special thanks to Pastor Jackson, class advisor. Also thanks to a wonderful woman, Betty Gauntt, and all her helpers.

# *Varsity Football Has All The Right Moves*

What a turn around season for Melodyland's football team this year. From a 3-7 season last year to 6-4-1 this year. Outsized as much as 30 lbs. per man at times, the Flames held their own. Not one time in their 4 losses were they beaten badly. All of their regular season losses were a total of 14 points.

Even in the playoffs against Bishop losing 23-48 it was anybody's game right up to the fourth quarter. Wherever they played, the Flames performed well, on and off the field.

Melodyland can be proud of it's 1983-1984 football team, a team that had 5 people make all league: Tim Carlson, Scott Britt, Kevin Nelson, Joe Restivo and Chris Farber. The Flames offensive team was 2nd in league, averaging 380 yards per game. They were an exciting team to watch. Way to go Flames!

Leading the offense was Gary Mixon with 179 yards on 31 carries and 3 TD's. Paul Howell ran 200 yards on 51 carries and Dan Moran ran 107 yards on 25 carries with 3 TD's. The quarterbacks were Darin Lowman and Mike Nichols. Lowman finished with 198 yards passing and 4 TD's with a 60% completion average. Nichols finished with 204 yards passing and 3 TD's.

The most valuable player was Gary Mixon, the most improved player was Tim Schmaltz, and the most inspirational player was Paul Howell.

The 83'-84' Flames Varsity Boys Basketball had a season of great challenge and improvement. Led by returning starters Robert Aragon and Gregg Kempf and featuring seniors Rod Walker, Shayne Bowe, and Tim Carlson. The team worked hard and gained new respect in the tough Olympic League. Next year the Flames will be led by returning starters Scott Britt and Rick Lyons in addition to Brian Baird, Derick Ruybalid, Chuck Mendoza, and Jeff Cameron.

# Pinning is Our Game

The 1984 Melo Thrasher wrestling team is one of the best overall teams Melo has ever put on the mat. This years team was coached by Coach Hayes. The team was lead by Captains' Chris Farber and Danny Albrecht who both took 1st place in league. Senior Chris Farber, who holds about every school record in wrestling at Melo, is trying to be the first wrestler in Melo history to qualify for the state championships.

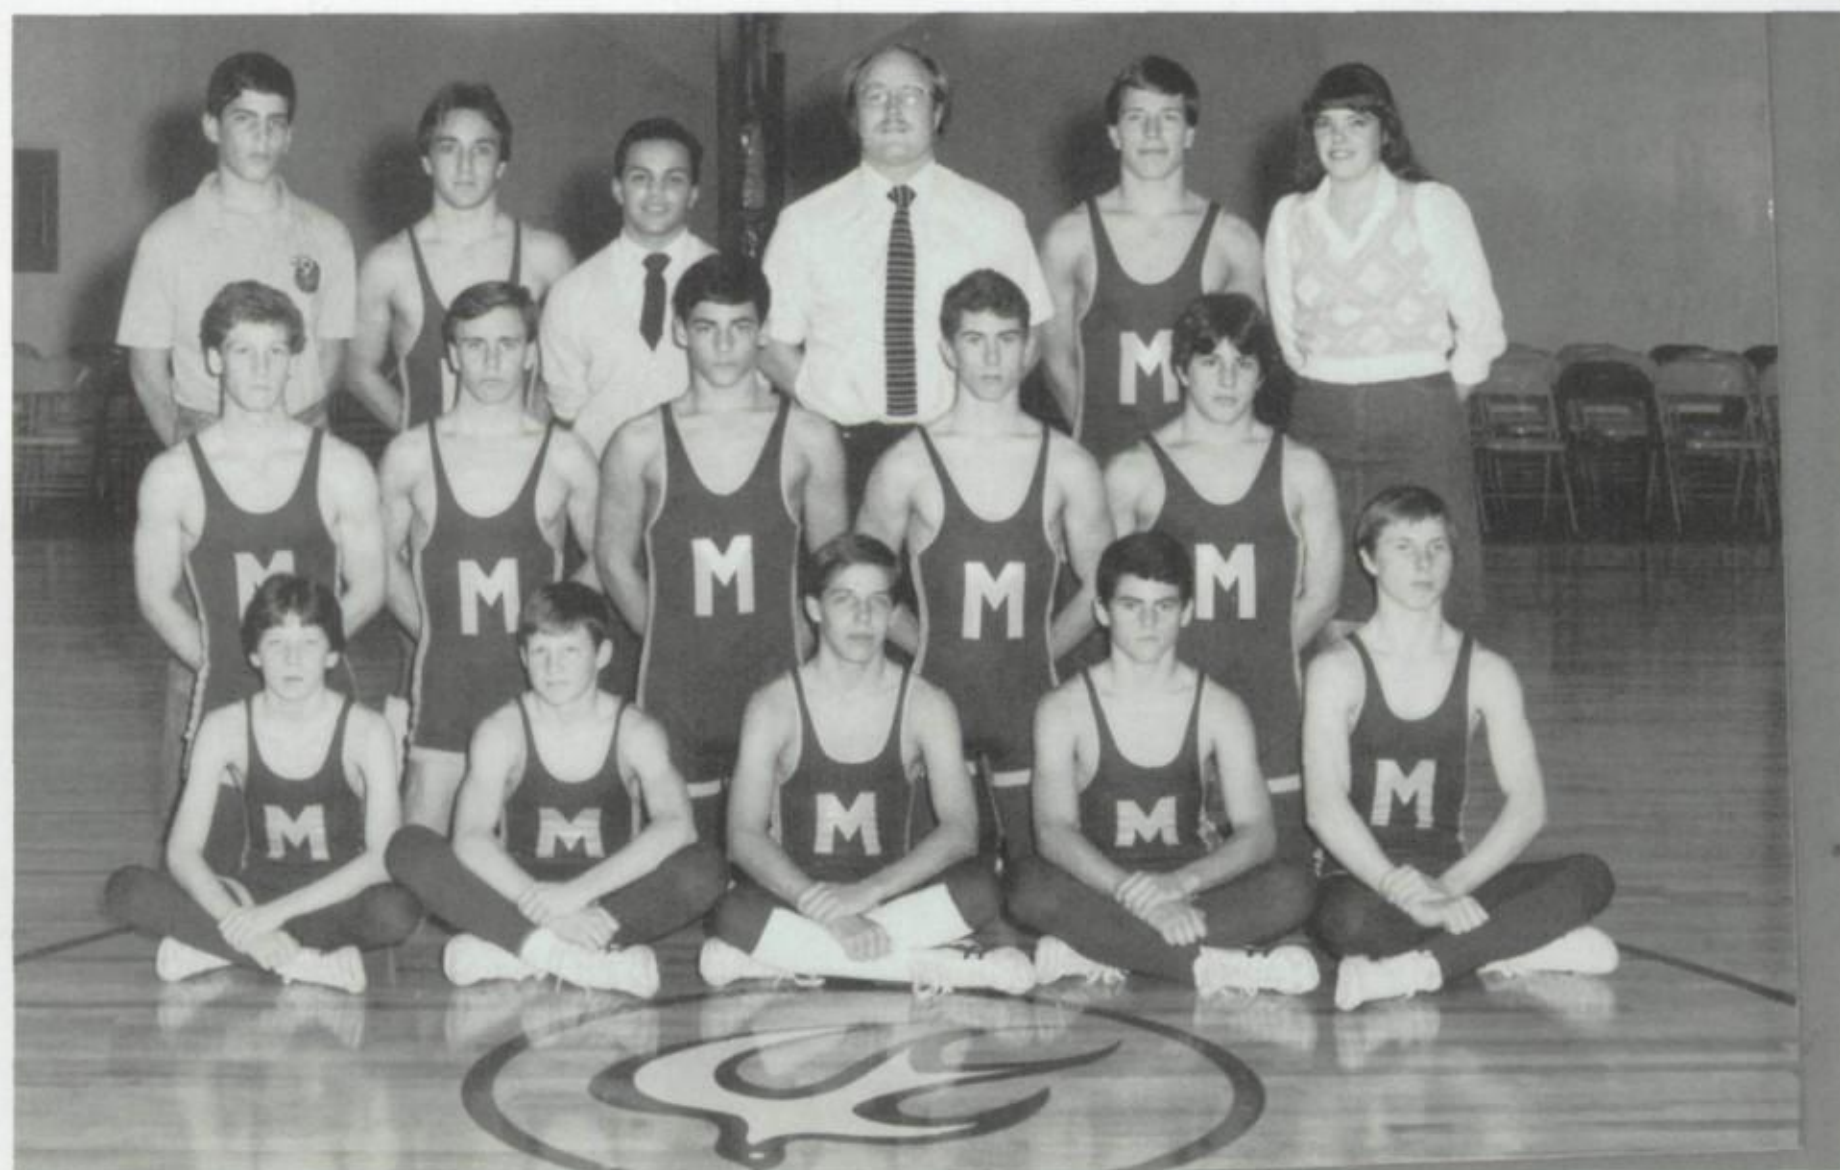

This years team entered many large tournaments: El Rancho 34 team, where Farber placed 4th; Torrance 9, where Farber placed 1st; Big Bear tournament, where Farber took 1st, Frederick took 1st, Albrecht 2nd, D. Moore 4th, Lambie 4th, Peters 3rd; Mt San Antonio championships, Farber placed 3rd, Albrecht 3rd, Frederick 3rd D. Moore 4th.

The season climax was the 3rd annual Melodyland wrestling tournament. Melo finished 2nd this year, only 1 ½ points behind Anaheim High School. Placers were D. Moore 1st, B. Lambie 3rd, E. Ferriera 3rd, D. Frederick 3rd, J. Peters 3rd, D. Albrecht 2nd, C. Farber 1st, S. Moore 3rd, C. Spicer 4th.

The team had a great season both on the varsity and J.V. level. They showed a lot of Christian growth and built a lot of character throughout the season. Thank you Lord, for a great season.

The wrestlers would like to thank Tia Olencki and Leslie Frederick for their help with stats and also the Spirit Leaders for all their support.

## Flames Rely On Experience

With the help of Miss Billy Harmson, Denise Munoz and Tracy Tuttle this team did a great job. The team members are Holly Brandts, Cinnamon Williams, Anne Keuhn, Joan Fraizer, Don Helton, Andrea Keuhn, Kathy Hyland, and Jana Fraizer.

This year Cinnamon Williams was chosen for Most Valuable Player, Andrea Kuehn was voted Most Improved and Joan Frazier was picked for Most Inspirational. Joan Frazier, Cinnamon Williams and Sheryl Carbajal made 1st Team All League. Cinnomon Williams was Most Valuable Player in the Olympic League.

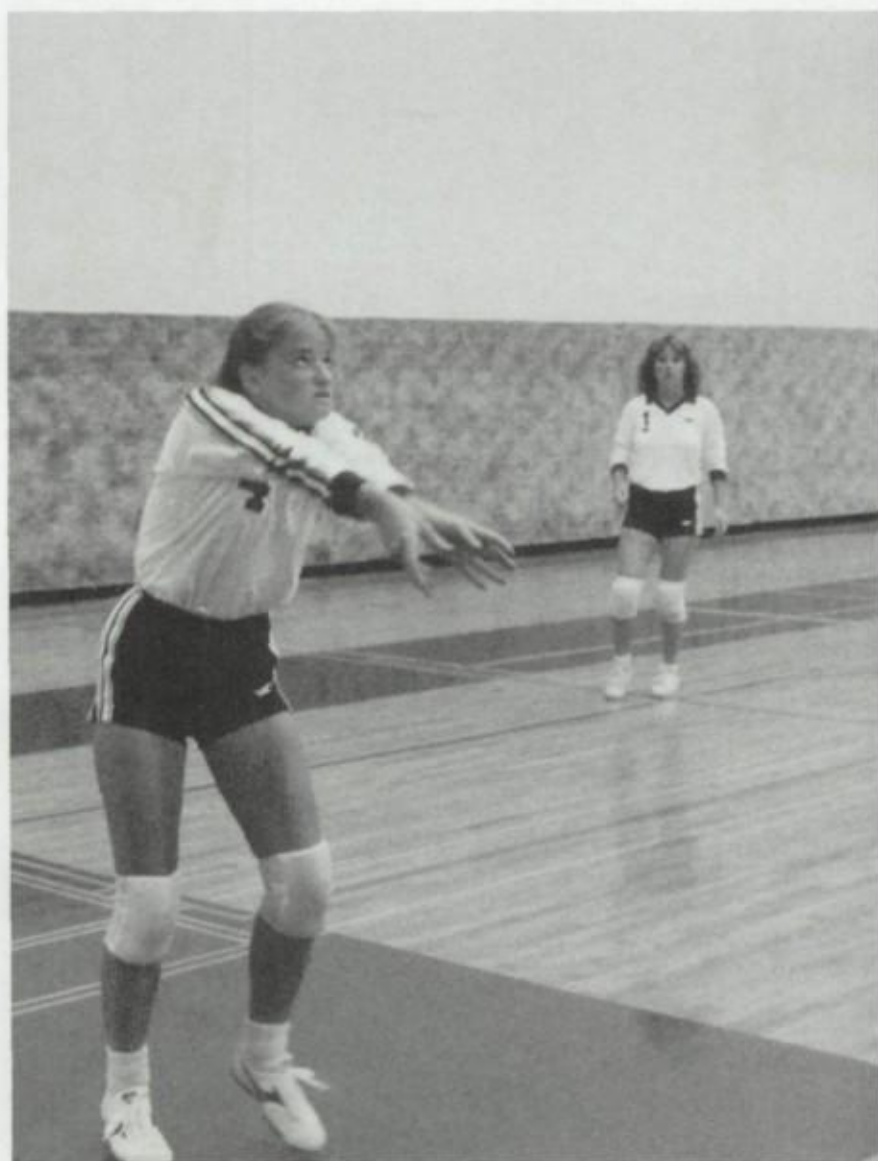

Junior Varsity Volleyball all started out on a morning in August. All players in their shorts and ready for a first contact with the volleyball itself, but instead of this they found themselves running and jumping for 3 hours.

Then they met their Coach, Coach Ed Glover. Cuts were made and the team was formed. Their record wasn't very good, but is not the winning, it is the playing that counts. But through the season with the help of God and Coach Ed the team excelled.

# *New Talent Overwhelms JV Volleyball Team*

# Girls Varsity Basketball

Girls Varsity Basketball accomplished many goals that were set by Coach Dewoody. Even though they didn't do very well in league, Coach Dewoody was proud of their performance. The team consisted of Patty Bast, Sheryl Carbajal, Toni DeMello, Jana Frazier, Joan Frazier, Andrea Kuehn, Dee-Dee Kurimay, Jo Lerma, Christy Mantyla, and Robyn Walker, and they all improved and did exceptionally well.

# Competitive Skills

# Ladies Of

This year has been one of new beginnings for JV Basketball. With only two returning players to the J.V. squad, we had to learn how to grow together as a team. We have learned unity as we have grown in the Lord.

This years players are: Jayna Alsop, Deina Cabrera, Desiree Campos, Amy Dewoody, Debbie Dunigan, Sue Flournoy, Michelle Harbulak, Nancy Hill, Jamie Miller, Tamirie Moore, Darlene Rawlings, Debbie Robinson, Lannette Shearer, Paula Vanikiotis, Wendy Whitby.

For Most Valuable Player we have Jamie Miller and for Most Inspirational Player we have Darlene Rawlings and Nancy Hill.

# The Race Running

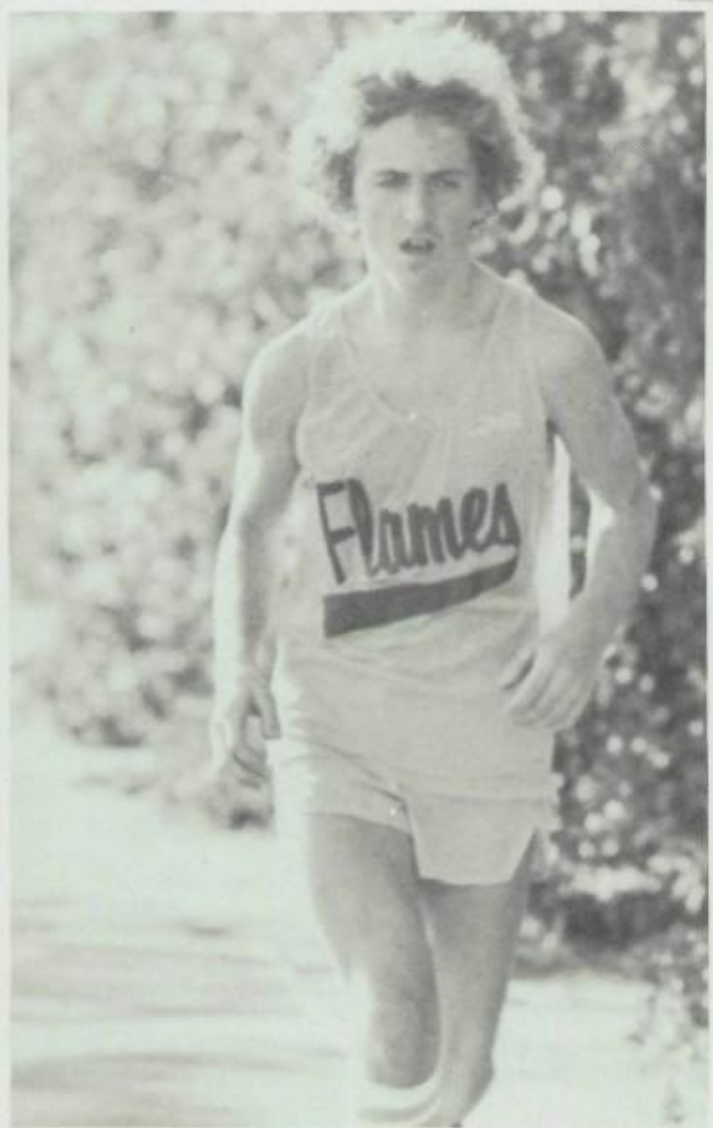

Thoughts of a runner -  
"Oh, my legs ache.  
Where's the finish line?  
Lord I don't think I'm going to make it. I'm still in 3rd place. I'll never get to first. Wait a minute, What am I thinking?! I'm on a crosscountry team that represents Melodyland High School. For Melo I'll run my hardest. I know I can make it if I just try harder ... Thanks Lord for the vote of confidence!"

Determination, Endurance, and Commitment are three of the most important traits found in a runner. The scripture for this team comes from Hebrews 12:1d which states, "... let us run with endurance the race that is set before us." To the team: Thanks for doing such a great job.

John Peters and Keith Kempf run towards the finish line.

Roger, Gavin and Stephen  
are all main part of this great  
team

# Tracked Down In Fields

Our first meet is March 29 against Brethren. We are still in the formative stages.

The sprints and relays should be pretty strong this year, we have a good turnout of football players that will help to keep us strong in those areas.

John Peters will lead the distance corps. John was the 1982 Olympic League Cross Country Champion. In track last year he was the only Melo athlete to participate in C.I.F. finals. This year he will run the mile.

Promising girls look like Cathy Hyland and Tammie Bockman in the distances.

Coach Burt Esposito and Coach Gardner would like to personally invite anyone interested to come out and give Track and Field a try. The nice thing about Track is that there are no benchwarmers; everybody competes.

The Olympic League has a very strong track program. **Let us rise to the challenge.** The more people we can get out for this sport, the better our chances become of winning.

(Opposite facing page) Coach Gardner and Coach Burt Espisito after a day of track practice (Bottom) Chris Spicer playing in the sand again (Middle left) Eddie Ferriera takes off (Middle right) Charla Yoshikawa shows what she made of (Top left) Jeff Williamson playing a game of catch (Top middle, Bottom row, Left to Right) Cathy Hyland, Sheri Hyland, and Janice Sufton (Top row) Joe Scienski, and John Peters (Top right) Janell Gurnee showing off.

This years track teamers are John Peters, Cathy Hyland, Tammie Brockman, Jeff Williamson, Joe Scienski, Harvy Nieves, Steve Lockman, Chris Spicer, Scott Britt, Tom Rehman, Eddie Ferriera, Sheri Hyland, Suzy Ericson, Wendy Whitby, Janell Gurnee, and Lisa Stovek

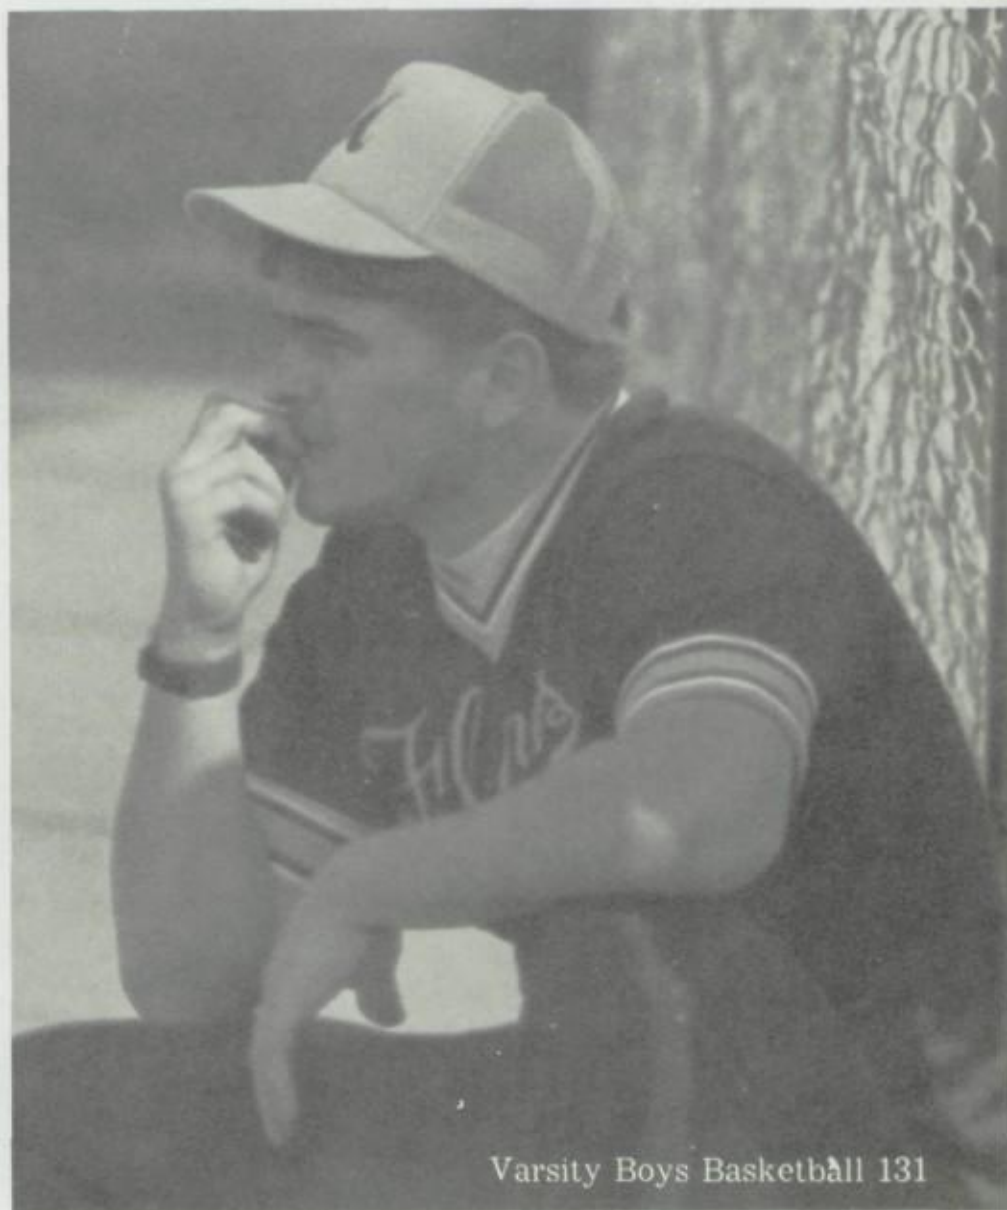

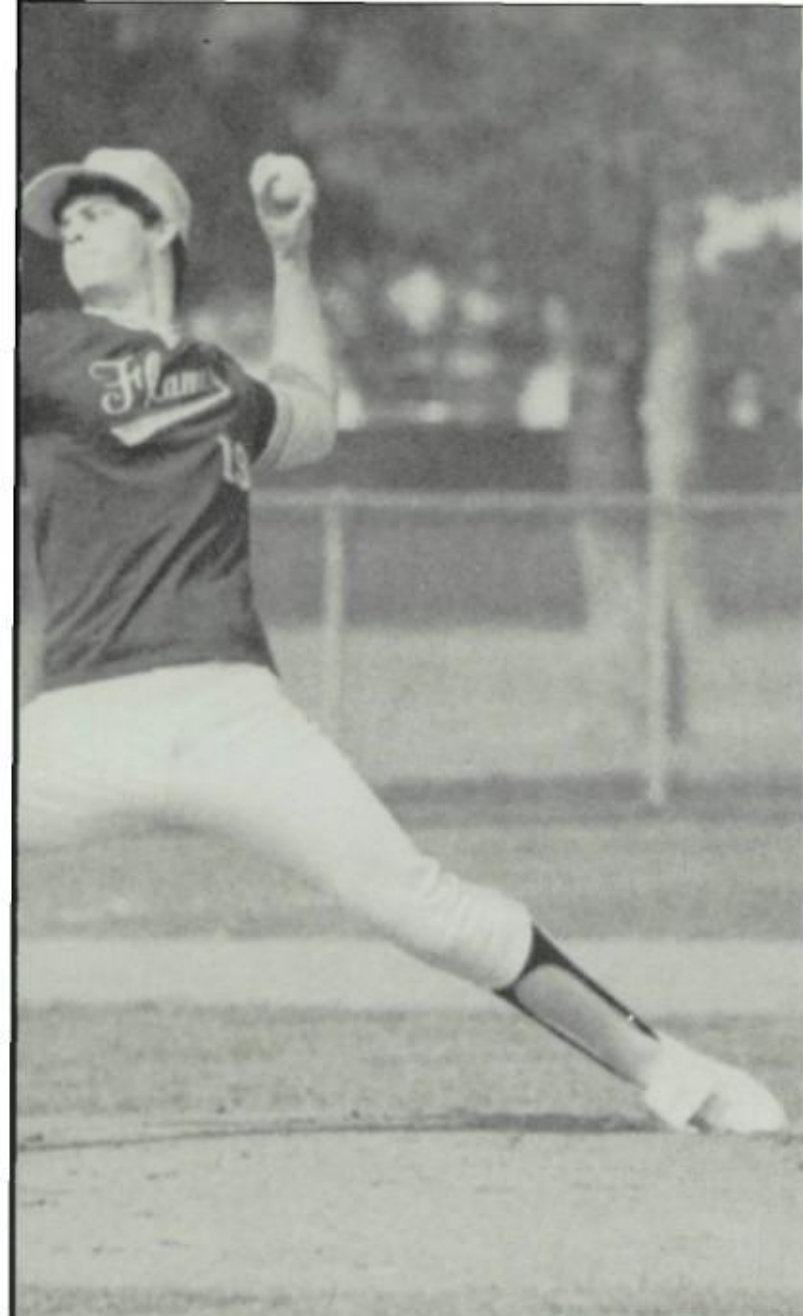

# Rocket - Ball Blasts Off Once Again !!

This years team has the potential of being the best athletic team Melodyland has fielded in 3 to 4 years. Each player comes to us with a good background in the basics of baseball, which makes Coach Dewoodys job more easier and more enjoyable. If we play to our potential we have a good chance of winning league champions and certainly making it to the playoffs. When you see our fine group of young men play the high standards of baseball that they are capable of playing, They have a strong infield and outfield. Hitting continually is improving thats what makes us a team, that others will have to contend with.

Returning Starters: Joe Restivo all CIF Pitcher  
Mike Coffin all CIH Pitcher  
Doug Rich all league pitcher  
Jeff Peterson returning starter  
Shana Bowe returning starter  
Greg Anderson returning pitcher  
Carl Gresowske returning starter

Top Row-Coach Wade Tally, Steve Brazelton, Tom Rehmann, Dean Reynolds, Keith Kempf, Dennis Kelly. 2nd Row-John French, Bob Davis, Donny Holtz, Kent More, Jason Dalton, Cindy Case, Front Row-Kim, Brazney, John Allen, Tom Morley, Danny Stauffer, Brian Balmer.

Melodylands Flames Softball this year is combination of both young and old. Leading the team is captain Dee Dee Kurimay who has played Varsity Softball for MHS all four years. She has been selected to ALL-League teams and her experience and expertise at first base will help the team.

Returning players who have already lettered in Softball include Jr. Leslee Mantyla, Pitcher; Jr. Colleen Cassidy in the Outfield; Sr. Toni DeMello also in the Outfield; and Jr. Tracy Tuttle who serves as alternate catcher and utility infielder for the team. Two new Seniors to the team this year are Darlene Rawlings in the outfield and Robyn Walker at shortstop and second base.

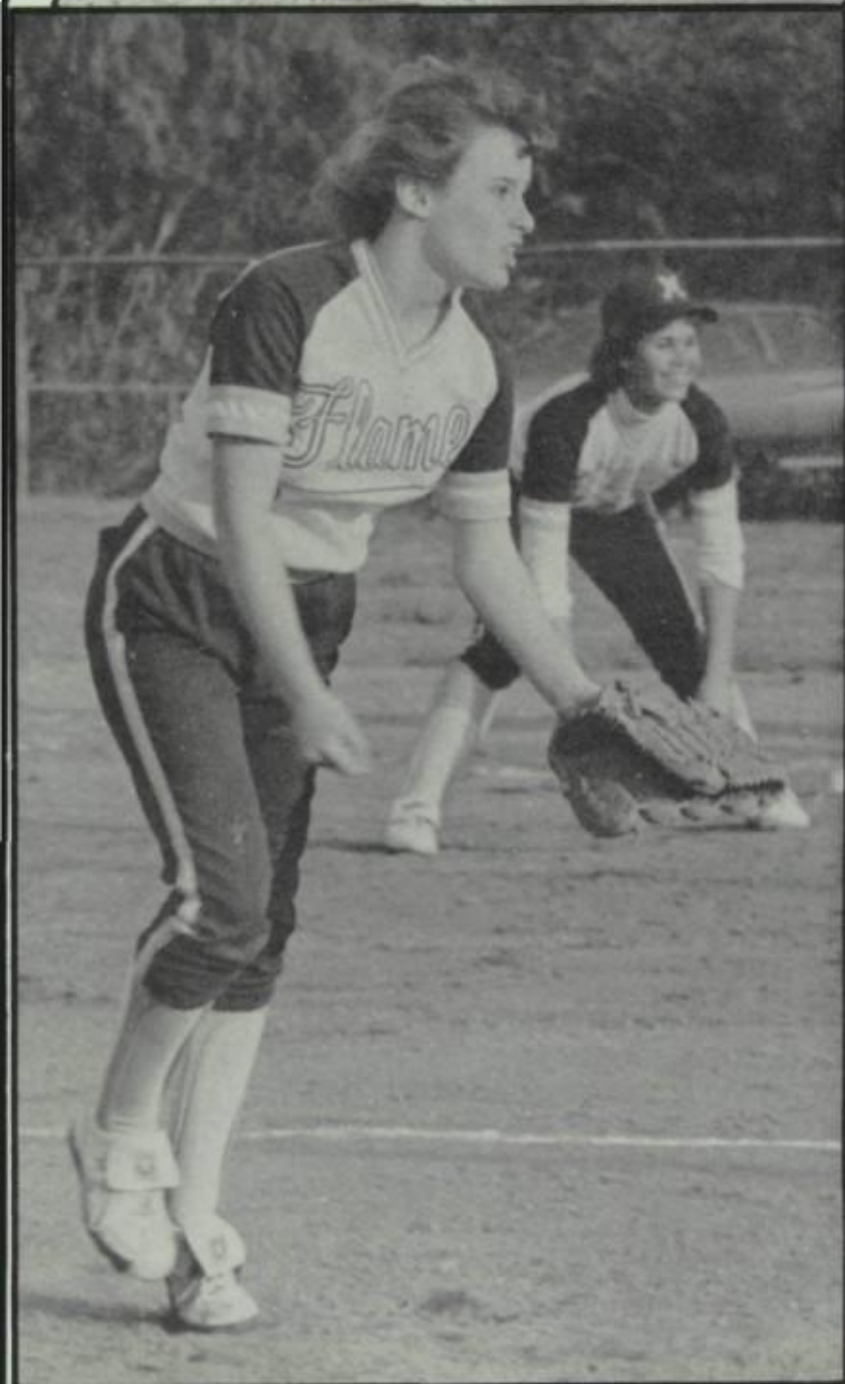

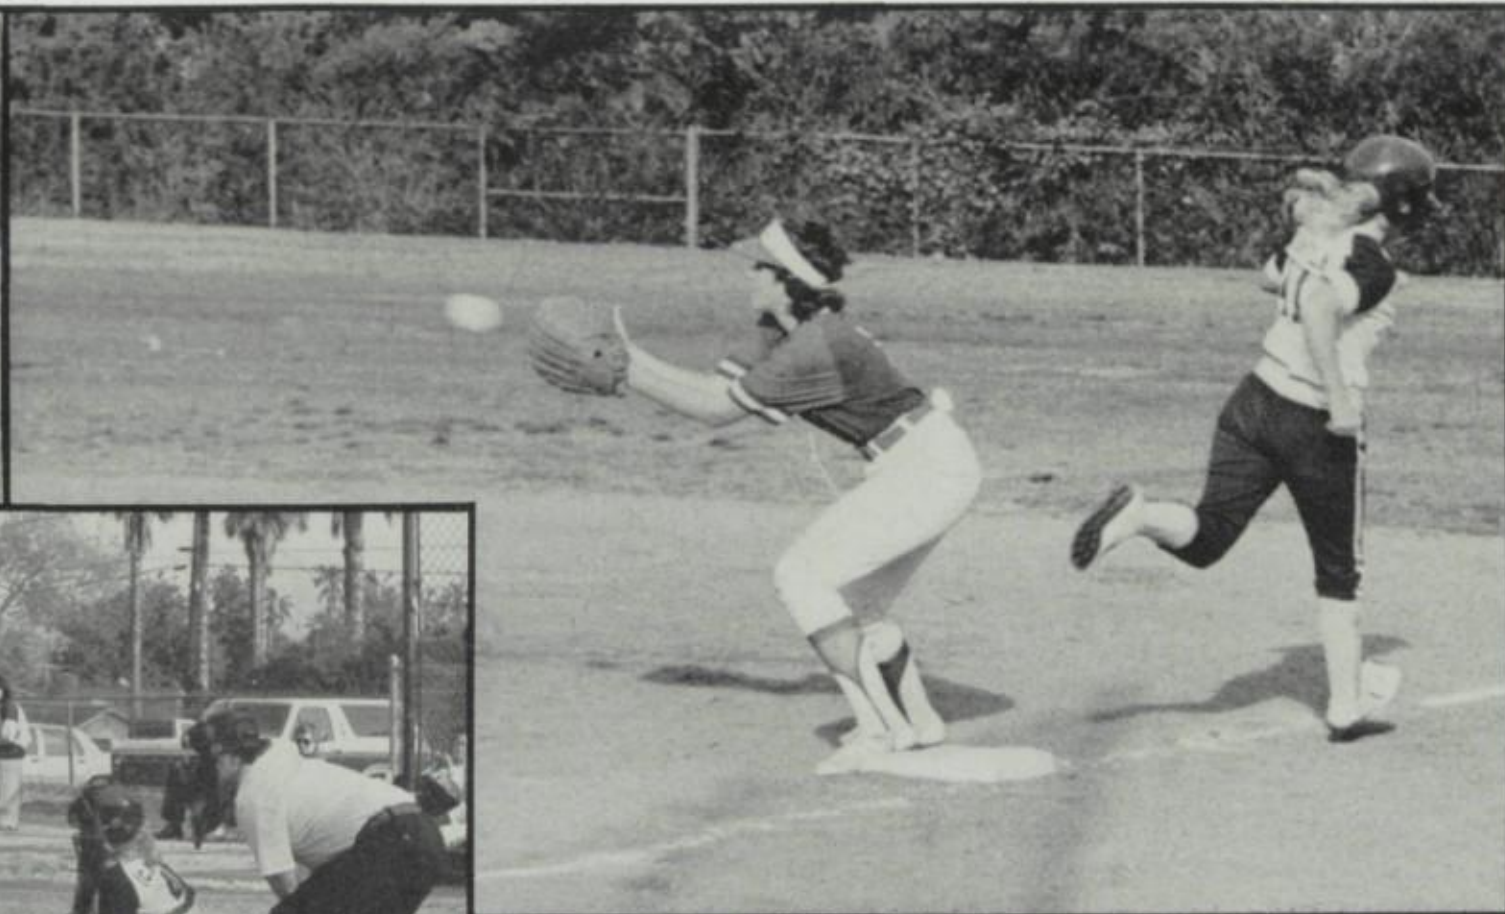

The Sophomore class sends us Jo Lerma who will fill an outfield-utility position this year.

Five of this year's team are freshmen who bring a multitude of talent with them to this Varsity squad. Leslie Frederick, our newest pitcher, brings three years of experience with her and throws a wide variety of pitches. Debbie Dunigan plays third base and can pitch or catch if needed. Christy Mantyla is our starting catcher and, when paired in the battery with her sister Leslee, make for a strong combination. Nancy Rich is starting at 2nd base; Deina Cabrera is playing outfield.

Last year, as the newcomers to the 1A Olympic league, we struggled with our competition and enjoyed some victories too. This year, we carry our experience and talent with us and will show to be a much better team after learning the lessons from last year. Melodyland will rise to the challenge in 1984.

## Gym Dedication

"My people perish for a lack of vision." Melodyland H. S. definitely had a great vision, a vision which seemed like it would never come true. During the school year of 82-83 the student body almost passed out one day, as they found out that the foundation of the Melo-Dome was laid. Then through much prayer, love, caring, and hardwork the vision finally came into focus. The M.H.S. gymnasium was complete including, an excellent scoreboard, and hoops imported from the "Fabulous Forum." The Melo-Dome is, by far, the best gym in the Olympic League. Let everything that has breath praise the Lord. Praise ye the Lord the Mel-Dome is done.

Mr. and Mrs. "C", thanks for all your help!

Wasn't it a blast at student council camp and especially at the beach party. Drivers Ed. is going to be fun. I really can sympathize with all your freshman problems because I was there myself once. Once is the key word though. Well your not freshman anymore. Hurrah!! I can't wait until you and Dina make dinner. It's better he good and NOT "mushrooms"! Maybe this summer we can go to the beach. You know we'll be diving finally. May God bless you in everything you do. You're such a good friend & I love you lots.
